## **Old Business:**

Dingy Dock, 8 spots are full and a waitlist has been formed (contact Len Hills to be added). Two new spots will be created and those next on the wait list will be notified by Len Hills.

“Safety” issues: No glass on the beach, dock or seawall. Please use plastic wine glasses. Beer bottles – please pour into a cup or use a koozie.

Please mind the speed limit (15MPH) and be courteous to your neighbors regarding noise

No bikes on the ramps or docks

## **New Business:**

Wenauet Bluffs Website: <https://wbiwa.weebly.com/> The website is not new, but it has great information and dates to make note of.

**Beach Tags** were distributed to all that have paid their annual dues. If you have not yet paid, please send your checks to Len Hills for \$100 made out to WBIWA and send to: WBIWA PO Box 904 Pocasset, MA 02559. Email [diane.boulanger@bc.edu](mailto:diane.boulanger@bc.edu) to arrange to pick up your beach stickers. You could also bring the check to Diane and pick up your stickers.

**The Beach:** Please maintain 12 feet between groups on the beach. Be prepared with a mask in case you come within 6 feet of others, as you approach or leave the beach.

Please limit the number of guests at the beach, especially on weekends.

Out of state renters must self-quarantine for 14 days.

We hope to have town issued trash and recycle bins, to be emptied by the town, this summer.

**Fisherman Update:** Please call the police if a car is parked illegally. Tickets have been issued to those cars parked on the boat ramp or blocking driveways.

**Treasurer's Report:** Len Hills distributed the Profit & Loss statement to members. Treasurer's report was applied by members.

**Float and Dock report:** The float and slide are in!

**Dredge Report:** Barry Perkins provided the following update: As reported at September's meeting all dredging on the Cape is now handled by Barnstable County Dredge Program.

The Town of Bourne will know next fall whether the local dredge projects will move forward.

Major issue has been the status on the county dredge equipment. Only one of the three county machines have been consistently working.

The county feels by the fall all three dredge machines will be on line. Hopefully, that will allow the county to get back on schedule.

**Field Day:** Saturday August, 1 2020. Kara Miele reported on Field Day, reimagined. The parade starts at 8:45am and will start from various places, in order to maintain social distances. Please email Beth Dow with details on your child's age and costume at [dowbeth@gmail.com](mailto:dowbeth@gmail.com).

Please drop off Bingo prizes for kids and adults, marked with your name on it to Don Schroeder's shed, 44 Chickadee Lane. There will be one "Family Bingo" held on the Wenaumet Bluffs Drive (we will apply to have the street closed to traffic).

Lunch boxes will be provided by The Bog and are free to association members in order to limit the exchange of money. You may contribute to a donation bucket.

Gift Baskets will replace the Silent Auction, please email Kara at [karamiele@comcast.net](mailto:karamiele@comcast.net) for more information or to volunteer. Details and agenda for Field Day will be sent out by Kara throughout the coming weeks.

Motion to Adjourn at 12:40pm
